2021 Lopai Grenache

Paso Robles, CA | Willow Creek District | 15% ABV

VINEYARD:	Lopai Vineyard
ELEVAGE:	30% Whole Cluster, aged 20 months in twice used 265L French oak barrels
BLEND:	100% Grenache
CASES:	75 cases produced

This vineyard select wine showcases the beauty of this site. The very last fruit harvested on the season (well into November), was 70% destemmed before being fermented in stainless steel tanks using specialized yeast for optimal extraction of flavors and textures.

This block of Grenache is at the lowest section of the vineyard directly down by Vineyard Dr. It faces southwest but is protected in the bowl of the hillside from the hot afternoon sun. This allowed for the fruit to achieve optimal ripeness at a very slow and steady pace, exactly what we want in order to craft greatness.
