2021 Rosé of Grenache

Paso Robles, CA | Willow Creek District | 12.7% ABV

VINEYARD: Caliza & Jada Vineyards
ELEVAGE: 6 Months Stainless Steel
BLEND: 100% Grenache
CASES: 100

This stunning rose gold hued Rosé of Grenache is made 75% direct to press and 25% saignée method where it ages in stainless steel for around 6 months following. Beautiful acidity and crispness with lovely notes of underripe strawberry, watermelon, citrus and salinity. Being only 12.7% alcohol, this Rosé is refreshing, easy to drink and pairs well with anything. The fruit and salinity allow this wine to pair well with a summer picnic enjoyed next to the ocean.
